

CO-OPERATIVE EDUCATION

'Education At Work'

Business Administration – ACCOUNTING/FINANCE Major

Program Objectives:

Accounting/Finance majors acquire a solid background in the financial structure of business. They develop skills in all areas of financial and managerial accounting, systems analysis and design, auditing, taxation, and computer systems and applications. Graduates are awarded significant advance credits towards a professional designation by the Certified General Accountants (CGA), the Certified Management Accountants (CMA) and the Institute of Chartered Accountants, School of Business (CASB). These advance credits apply to a number of other designations in industry and government as well.

Co-op Education Objectives:

Co-op Education is a process of education that formally integrates students' academic study with periods of related work experience in cooperating employer organizations. Selkirk College's Co-op Education programs are designed within guidelines established by the Canadian Association for Co-operative Education (CAFCE) and in consultation with federal and provincial government agencies.
