

Application for Tuition and Student Fee Deferral

This form is only required if there will be a significant delay in your student loan.

Last Name: _____ First Name: _____

Student Number: _____ Program: _____

- Tuition and student fees are due and payable on or before the first day of class. A student fee deferral is an extension to this payment due date.
- This application must be approved by the Selkirk College Financial Aid Office, prior to the start of classes, for a fee deferral to be granted and applied to your student account. If a fee deferral is granted, your fees will remain on your student account under the "due soon" classification.
- **Students are responsible for checking their online student account** to see if the deferral has been granted. The tuition amount will be shown in the 'Due Soon' column. The new due date for payment will be in the 'Next Payment Due Date' column.
