.....

- We have staff on duty that would be happy to give your group a run-through on how the Bouldering Room works and safety tips. However there is no staff to guide, monitor or supervise your children through their birthday party experience. Supervision of all children/youth is expected of the person booking; parent and their helpers. (minimum 2 helpers)
- When the gym is available we have supplies that one may use. Examples are soccer balls, pickle ball equipment, ping pong, volleyball, parachutes, badminton, basketballs, dodgeballs, as well as other equipment such as tug-o-war rope, frisbees, etc. We also have a variety of climbing shoes, although small sizes are very limited. Children can go sock foot or use clean, indoor shoes as well.
- Only non-marking footwear is permitted in the gym.
- **Waivers** are required to be signed by each child/youth's parent/guardian before participation in the Bouldering Room will be allowed. **"Print" the child's name at the top of each page.** The Renter is responsible for all participants during the rental period. This includes all first aid and safety procedures and knowing all the fire exit locations in case of emergency.
- Food is not usually allowed in the gym, but staff can have a table set up for cake and food at the gymnasium entrance. It is asked that renters are careful with food and drink in and around the gym and assist in clean up.
