Payments can be made with either a credit card or a debit visa card.

Q. Can I use any other type of online payment options such as Paypal or email transfers?

A. We do not accept other forms of online payments as the fees for these types of payments and transfers are taken off the original amount which means that the total you paid is not enough to cover the balance owing on the account after processing fees are withheld by the payment gateway. Payments made by these methods will not be accepted by the College and will be automatically returned to the student.
