INTERNATIONAL

Selkirk  College

Living with a family will help you make new friends, learn about Canadian culture, and improve your English. We recommend homestay for most new students.

OUR FAMILIES

Our International Student Coordinator carefully selects families who enjoy meeting students from other parts of the world. **Homestay families provide their students with three meals a day, a private room, and a warm welcome.**

Families will spend time with their students in the evenings and on the weekends. They will show them around their communities and make them feel at home.

OUR STUDENTS

We match our students and our homestay families as closely as we can. It is important for you to give us as much information as you can about yourself and about the kind of homestay hosting experience you hope to have.

Our International Student Coordinator checks all homestay placements. We provide assistance and support if needed.
