Instructions for requesting a late course registration:

1. **Students (International and Domestic):** fill in section 1 and then take this form to the instructor of the course you wish to enroll in to discuss student risks and responsibilities of late registration.

2. **Instructors:** once you have been in contact with the student and discussed risks and responsibilities of a late registration, sign and date the form. Return form to student and advise to seek out School Chair.

3. **School Chairs:** please sign section 2 if you agree to the student’s enrolment. Return the form to the student.

4. **Students (International and Domestic):** please deliver the completed form to your Enrolment Officer within one business day of the final signature (instructor or counsellor).

*Audit:* Students may take some courses on an audit basis.

If a student meets all the admission requirements for a course/program and has permission of the instructor, the student may enroll with audit status. Such a student will not receive a grade. The student may be required by the instructor to participate in any or all of the course/program activities

Audit students will receive an “AU” on their transcripts. No grade will be given; therefore, an audited course will not be used in calculating a student’s GPA. Having begun a course, students have until the end of the withdrawal period to change their standing from audit to credit, or credit to audit. Students must receive permission of the instructor(s) to make the change.
