

How to Apply for Admission to Selkirk College courses

All students are required to apply to attend Selkirk College. If a student applies for the wrong program, the application processing is delayed and the student may lose a seat in the course they wish to take.

To ensure that an application is received for the correct program, please follow the options below to apply on EducationPlannerBC: <https://apply.educationplannerbc.ca/>.

New PIDP applications

You haven't taken any PIDP courses through Selkirk before, but want to start? Choose the following options on EducationPlannerBC – note a \$40 application fee is required:

Program Selection

If you don't see your term or program, please check deadlines and requirements for your program on the institution's website, or contact the institution's admissions office directly for information on program availability.

Admission Category & Term

Program Details

INSTRUCTOR DEVELOPMENT

The Category, Subject Area and Program will remain the same for each semester/term, the only item that will change will be the term for different offerings (Winter, Spring, Fall).

Returning PIDP applications

Have you taken PIDP courses previously and want to take more? You must still re-apply, but an application fee is not required. Choose the following options on EducationPlannerBC:

Program Selection

If you don't see your term or program, please check deadlines and requirements for your program on the institution's website, or contact the institution's admissions office directly for information on program availability.
